YACHT POWER CATAMARAN

The Aquila 54 Yacht Power Catamaran represents the reliable features and construction methods of the hundreds of Aquila yachts and boats cruising the waters of the world. This model enhances on-board luxuries with full size refrigeration and layouts that include 3, 4, and 5 cabin options as well as skipper's quarters and "galley-down" layouts.

Customization options are available to meet an assortment of boating lifestyles.

Integrated entertaining bar connecting social areas

PANORAMIC LUXURY

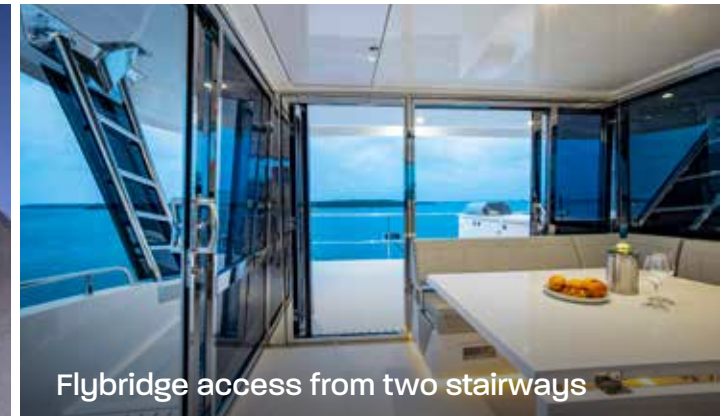

6

AQUILA POWER CATAMARANS

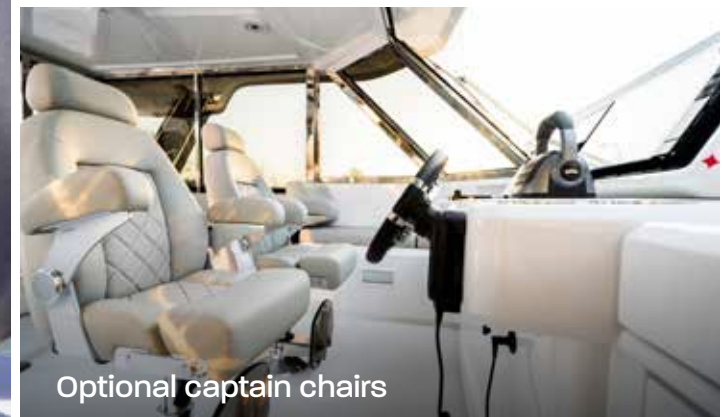

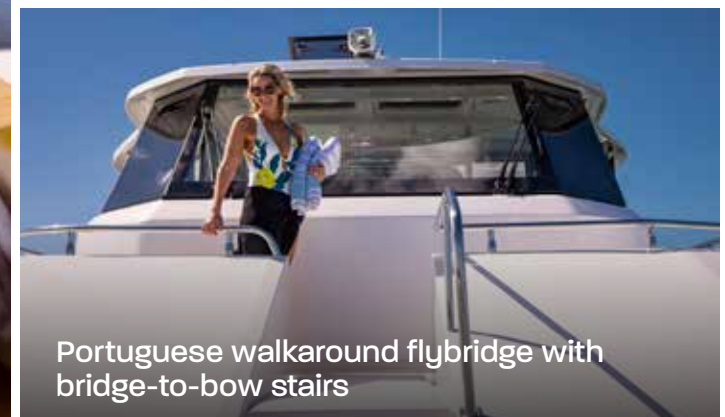

Wet bar with Kenyon grill and Corian work surface

Optional captain chairs

Portuguese walkaround flybridge with bridge-to-bow stairs

Optional fully-enclosed SkyLounge Flybridge

The image shows the interior of a luxury catamaran. In the foreground, there is a white leather sofa with a blue textured blanket draped over it. To the right, another white leather sofa is visible, along with a wooden table. The floor is made of dark wood. Large windows with light-colored curtains provide a view of the ocean. The cabinetry is light wood, and there are various electronic devices and a small TV mounted on the wall. A logo is visible on the wall above the sofa.
